In response to a request for additional information, this report notes that two memo entries for \$12,000 each in this (and in the original) report reflect actual payments made by check towards the invoiced expenditure reported on line 24 for Independent Expenditures. The information was provided in a memo entry to accord with the actual checks written towards the overall balance incurred. Further to the same request, this report clarifies that the Independent Expenditure(s) dated March 8th were originally a single order from a vendor contracted for on March 8, first disseminated on March 10, and first reported on March 11 based on the invoiced amount. That 24 hour report was subsequently amended once performance data on the independent expenditure was available and indicated that the expenditure had not cost the full amount invoiced (that amount was reduced and reflects the amounts indicated on Line 24). Additionally, some of the communication was reclassified as being in support of a candidate that was running against the candidate originally reported, based on the vendor exercising discretion in the creation and deployment of the communication. That information was provided along with final performance data and reported in the amended 24 hour report on March 20. Further to the same request, this report also amends the purpose description of those expenditures
